CSI Tech Recognized by TechServe Alliance with “Excellence Award”

[JACKSONVILLE, FL] (November 07, 2018) – CSI Tech today announced it has earned the annual [Excellence Award](#) from [TechServe Alliance](#). The award recognizes IT & engineering staffing and solutions firms that have demonstrated outstanding performance, team productivity and dedication to continuous improvement.

“TechServe Alliance Excellence Award winners exemplify the very best of our industry. They are committed to delivering world-class solutions to their clients and providing valuable career opportunities to IT and engineering professionals while far exceeding industry performance standards,” said Mark Roberts, CEO of TechServe Alliance. “These award recipients truly set themselves apart from the competition,” added Roberts.

“We are both proud and humbled to have met the high standards necessary to earn this prestigious award. We hope to be in position to earn this mark of distinction in future years,” said Andrew Cihlar, President, CSI Tech.

TechServe Alliance, the national trade association of the IT & engineering staffing and solutions industry, will recognize CSI Tech at its [Annual Conference](#) in Bonita Springs, FL, November 7-9, 2018.

About TechServe Alliance

TechServe Alliance is the national trade association of the IT & engineering staffing and solutions industry. Hundreds of IT & engineering staffing and solutions firms and tens of thousands of affiliated professionals count on TechServe Alliance to keep their leadership informed, engaged and connected. TechServe Alliance serves as the voice of the industry before the policymakers and the national and trade press. By providing access to the knowledge and best practices of an entire industry and tapping the “collective scale” of hundreds of companies, TechServe Alliance supports its members in the efficient delivery of best-in-class IT & engineering staffing and solutions for clients and exceptional professional opportunities for every consultant.
